

Withdrawal Policy

Kingdom Homeschool Services is a faith-based organization with a generous mindset. We strive to provide affordable and accessible programs for families. KHS's desire is for families to feel supported and unburdened by the time and finances it requires to homeschool their children.

In light of these values that KHS holds, families are asked to commit their students to Kingdom Homeschool for one school year at a time (Fall-Spring). This allows KHS to pay their teachers consistently and fairly throughout the year.

KHS understands that things change and God calls people on to new places and new ventures. Families are expected to complete a withdrawal application and return it to KHS if you need to withdraw your child(ren). If your application is accepted, below is a chart that shows the fees a family will acquire if a child is withdrawn before the end of the school year.

Note: If your child is in both programs, both fees will be due. Each fee represents one child.

	Child is withdrawn before June 1st	Child is withdrawn between June 1st August 1st	Child is withdrawn during the first semester (between August 1st and December 20th)	Child is withdrawn during the second semester (December 21st-May15th)
Hybrid	\$50 Registration fee due	\$932.96	\$1,865.91	\$1,865.91 (in addition to entire 1st semester)
Co-op	\$50 Registration fee due	\$323.10	\$646.14	\$646.14 (in addition to entire first semester)
Withdrawal fee	\$50	\$50	\$50	\$50

****Families may contact KHS ahead of time should there be a planned withdrawal for their child.****

This policy is only applicable for first-year families. Families who return for succeeding years will be asked to make a yearly commitment to KHS at each new registration time.
