

Mission

Our mission is to provide an affordable opportunity for the South Arlington/Mansfield community of home educators to expand or supplement their curriculum by offering classes that lend themselves to a group environment.

Goals

Our goal is to offer an affordable opportunity for our children to experience a better, well rounded home-based education. Instruction will come from experienced parents whose families are members of SACC. Parents who instruct must sign our statement of faith, show competent ability to teach the given subject, and be passionate about children's education.

Beliefs

We believe that the Bible is the Word of God and in the inerrancy of scripture. We believe in the Father, Son and Holy Spirit, and in Christ crucified, buried and risen. We believe that Jesus is the way, the truth and the life, and that no one comes to the Father except through Him. We will always refer to the Bible as our foundational teaching tool.
