

# ACTS Teacher Evaluation Form

*Parents: This evaluation is a tool to inform teachers and officers on the performance of the teacher and the quality of the class they teach. ACTS teachers and officers take your comments on these evaluations very seriously and are always working to improve the ways we are serving homeschooling families. If you have a specific concern that you need to address with the teacher, please consider speaking to the teacher in person rather than waiting until evaluation time. Open communication is always best. These evaluations are reviewed by the officers and then given to the teachers who truly desire to do the best job they can do for your children. Please thoughtfully and prayerfully complete this form to the best of your ability. Thank you for participating.*
