“You shall love the LORD your God with all your heart and with all your soul and with all your might. And these words that I command you today shall be on your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise. You shall bind them as a sign on your hand, and they shall be as frontlets between your eyes. You shall write them on the doorposts of your house and on your gates.”

## PHILOSOPHY OF EDUCATION

### Christian Education and Home Schooling

Our understanding of Christian education can be summarized under four headings: parental responsibility for education, the standard of education, the goal of education, and the method of education.

#### ***Parental Responsibility***

God gave responsibility for spiritually training children to the parents. Moses wrote in Deuteronomy 6:4-9 “Hear, O Israel: The LORD our God, the LORD is one. Love the LORD your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be upon your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the door frames of your houses and on your gates.” In the New Testament, Paul teaches that fathers should “bring [their children] up in the training and instruction of the Lord.” (Ephesians 6:4).

#### ***Educational Standard***

We believe that the Word of God is the standard of truth (John 17:17); that the fear of the Lord is the beginning of wisdom (Proverbs 1:7); and that the Word of God is useful for teaching so that we are equipped for every good work (2 Timothy 3:16-17). Cahaba Academy parents should strive to teach history, science, mathematics, grammar, reading, writing, physical fitness, the arts and every other subject from the perspective of Scripture.

#### ***Educational Goal***

The goal of Christian education is to train children to be faithful servants of God, to live holy lives, to fulfill their callings in the world, and to be useful members of the Body of Christ. Christians are to train their children to seek first the kingdom of God and His righteousness (Matthew 6:33), and to do all to the glory of God (1 Corinthians 10:31).

#### ***Educational Method***

We at Cahaba Academy believe that the home school provides an environment for Christian education. The responsibility of educating children is the responsibility of every parent, but home schooling provides parents a unique opportunity to individually direct the materials and methods for educating their children. Therefore, home schooling provides an atmosphere in which children may be trained to seek God’s glory in all that they do. Finally, home schooling permits parents literally to obey God’s command to teach their children in the midst of daily life.

### History of Cahaba Academy

Established in 2008, per the state of Alabama's "[church school](#)" provision (see pages 16-18), Cahaba Academy remains a ministry of the First Baptist Church of Trussville (FBCT), under the oversight of the Children's Ministry office. FBCT is a cooperating member of the Southern Baptist Convention (SBC). Cahaba Academy does not discriminate based on race, gender, or ethnic origin. The Administrator, Administrative Assistant, Treasurer, and Event Coordinators handle the day-to-day operations of Cahaba Academy.

### Accreditation

Cahaba Academy does not seek accreditation. Adherence to state or county criteria would add nothing to Cahaba Academy's program. Accreditation usually refers to an evaluation done by an accrediting body to check standards set by a local school system. In this sense, accreditation certifies that a certain amount of floor space is available for school activities, a certain number of books are in the library, etc. Accreditation does not guarantee excellence in education, as the current state of public education testifies. If you are concerned about accreditation, however, we urge you to consult with colleges before enrolling your children in Cahaba Academy.

### Statement of Faith

We ask that you read our Statement of Faith below and recognize that Cahaba Academy is a ministry of First Baptist Church Trussville, a Southern Baptist Church, which agrees with the articles defined in the Baptist Faith and Message. We uphold these beliefs and often discuss and/or include them within the course of Cahaba Academy events and activities.

- We believe in Jesus Christ as our Savior; that the Bible, both Old and New Testaments, is the inspired and infallible Word of God.
- We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit.
- We believe in the deity of our Lord Jesus Christ, His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension and His personal return in power and glory, and the presence and power of the Holy Spirit.
- We believe that man is saved from sin by grace through faith in Jesus' sacrifice for sin, by his shed blood.
- We believe this gift of eternal life is available to everyone who chooses to acknowledge faith in Jesus Christ.
- We believe that marriage is between one man and one woman, as defined by the Word of God.

## PROVISIONS

### Alabama State Law

Alabama State law contains no statutes that deal directly with home schooling (see [www.hslda.org/laws/analysis/alabama](http://www.hslda.org/laws/analysis/alabama)). Cahaba Academy, however, is a church school operated as a ministry of a local church, and comes under the provisions of the 1982 amendment to the compulsory education law, which stipulates that children attending church schools are not considered truant. As a church school, Cahaba Academy provides administrative oversight for off-campus classes conducted by its faculty, thus providing Christian parents a legal way of home schooling. To avoid legal problems or jeopardize the freedom we enjoy and work to protect, it is extremely important for members to comply with all the procedures and regulations of the Academy, as agreed to in the Cahaba Academy Covenant. We seek to honor the Lord by being “above reproach” and to operate in compliance with Alabama compulsory attendance requirements; therefore, we require that our member families abide by the rules and requirements that have been established for our school.

### Accountability

Scripture commands Christians to submit to one another, and to the governing authorities (Romans 13:1; 1 Peter 2:13-15). Even though the law does not require home schooling parents to enroll with a church school ministry, it would be wise for a home-schooling parent to do so. Cahaba Academy holds parents accountable to train children diligently through required attendance at faculty meetings, timely submission of attendance and grade reports and other policies as outlined in the Cahaba Academy Covenant.

## POLICIES AND REQUIREMENTS

### Supervision Requirements

Cahaba Academy does not accept responsibility for your children. Just as you are to provide appropriate educational opportunities in your home, you must provide adequate supervision for your children. Section 16-28-17 of Alabama Legal Code provides a truant officer the power to take into custody any school aged child who is unattended by a parent or guardian and who is not at home or at school during public school hours. Children under the age of 18 are not to be left alone or with any older sibling on a regular basis during public school hours of instruction.

While there should be no fear of leaving home during the day, children should not be left unsupervised between the hours of 8:00 a.m. and 3:00 p.m. The teaching parent must not work full-time outside the home. Parents must be the primary instructors of the child.

### Attendance

Cahaba Academy requires 160 days of instruction (including field trips) - without exception. Home schooling families must meet the required number of days annually. Cahaba Academy families shall register with [www.homeschoolreporting.com](http://www.homeschoolreporting.com) and submit attendance reports visible to the Registrar on a regular basis. The minimum requirement is twice a year (Deadlines are January 15<sup>th</sup> and July 15<sup>th</sup>). Membership requires each family to setup and maintain student records via Homeschool Reporting Online. We encourage parents to actively maintain their student's records rather than simply meet a deadline. We would also encourage parents to research and maintain the appropriate documentation necessary to certify their student's transcripts. Please contact the Administrators if you need assistance.

### Progress Reports

Home schooling families must complete and submit student progress reports for each enrolled child. Cahaba Academy families shall register with [www.homeschoolreporting.com](http://www.homeschoolreporting.com) and submit progress reports visible to the Registrar on a regular basis. The minimum requirement is twice a year (Deadlines are January 15<sup>th</sup> and July 15<sup>th</sup>). Membership requires each family to setup and maintain student records via Homeschool Reporting Online.

Students must be enrolled in the grade level of actual instruction. We encourage parents to actively maintain their student's records rather than simply meet a deadline. We would also encourage parents to research and maintain the appropriate documentation necessary to certify their student's transcripts. Please contact the Administrators if you need assistance.

### Student Records

Student records include all records submitted to Cahaba Academy through: our website, HSRO reporting, transfer school records received, and standardized testing facilitated by Cahaba Academy. Official Transcripts are composed of all records submitted to Homeschool Reporting Online. Any standardized testing records the parent wishes to add or exclude from the official student records must be formally requested by email or in writing. When a student withdraws or transfers from Cahaba Academy, all official student records will be sent to the next school after receipt of a records request signed or confirmed by the parent.

### Courses of Study

Parents must instruct their children in the basic courses of academic study including, but not limited to math, English language arts, science, social studies, reading, physical education, communication, character development and Bible. Records and validation for student's course of study are maintained in [www.homeschoolreporting.com](http://www.homeschoolreporting.com). Student's courses of study and enrolled grade level should match, i.e. a 6<sup>th</sup> grader should be using a 6<sup>th</sup> grade curriculum. Please see the "CURRICULUM AND GRADUATION REQUIREMENTS" section for more information.

### Teaching Method

Cahaba Academy does not mandate nor is responsible for individual teaching methods. Each parent has the responsibility to create and maintain plans that best fit their students. Parents may request a meeting with the school Administrators or a veteran home school parent to solicit advice or direction in daily planning. Teacher plan books are the responsibility and property of each family.

### Faculty Meetings

***At least one parent of each family must attend the required Faculty meetings per year.*** Failure to attend without prior approval from the Administrator may result in dismissal from the Academy. Written explanations (by hand or email--no text messages, please) must be submitted to the Administrator **prior** to the faculty meeting. Additionally, any handouts or information from the missed meeting will be sent to the members via email.

Additional meetings may be scheduled several times during the school year. Outside speakers may often be invited to speak. The required faculty meetings are generally closed to the public; however, there may be additional open meetings during the year for guests. Parents are encouraged to attend other non-required monthly meetings that will be held during the school year for encouragement, support, and fellowship. There will be a yearly high school meeting for all families with 7<sup>th</sup>-12<sup>th</sup> graders. At least one parent from each family of a 9<sup>th</sup>-12<sup>th</sup> grader is required to attend. Alternative meetings are available.

The Administrators and Advisory Board of Cahaba Academy welcome suggestions from faculty members for potential speakers at faculty meetings. Please submit suggestions in writing to the Membership at least two months prior to the date of the faculty meeting. Please include contact information for the guest speaker. The Administrators will be responsible for making a final decision about whether the presentation will be made.

### Standardized Achievement Testing

Cahaba Academy will administer a standardized achievement test each spring, available for all Cahaba Academy and Stepping Stones members. Testing is optional. If members choose to test, they will be required to pay the applicable tests fees (see FEES section). Administrative cost will be covered by Cahaba Academy. Testing will be dependent on sufficient staffing and space availability. The Testing Coordinator will oversee the administration of the achievement tests with the assistance of Testing Proctors and Helpers. Only Cahaba Academy members may be Testing Proctors. Students must be tested in the grade level of actual instruction. Test results will be recorded in the student's official records unless an official exclusion request is made by the parents. Request to exclude test results should be sent to the Admissions Coordinator via email or in writing and must be submitted by end of school year in which testing was completed. This annual testing is not to be confused with High School Testing, which is required for graduation. See High School Testing section.

### Withdrawal

Parents withdrawing a child during the school year must submit an up-to-date Progress Report and Attendance Report at the time of withdrawal so that the Administrator may complete the records necessary for transferring the student to a different school.

Dismissal

Should a current family fail to notify Cahaba Academy by August 15th that they are returning, the school will withdraw the students from Cahaba Academy and will send notification to the school district notifying them of the withdrawal. Families are encouraged to re-enroll their children by April 1<sup>st</sup> of the ending school year.

The Administrator of Cahaba Academy reserves the right to call the enrollment of a family into question if the family does not follow the guidelines in the Cahaba Academy Manual or if there is a breach of contract with Cahaba Academy.

**FEES**Tuition

The tuition fee is per family per year and is non-refundable. Extra expenses including field trips and other activities are not included in the tuition. A late fee will be added to any tuition not paid by the deadline. Dismissal can result if tuition fee is not paid by August 15<sup>th</sup>. A discount may be offered for early enrollment. **Transcripts and diplomas will not be sent until accounts have been settled.**

Membership Tuition .....	\$150.00
Stepping Stones Tuition.....	\$50.00
Late Fee .....	\$25.00
Testing Fee .....	\$25.00
Registration Fee .....	\$25.00

Tuition payments can be made through the Cahaba Academy website's PayPal feature (preferred), by cash (hand delivered to the Treasurer), or check (payable to "Cahaba Academy").

Late Fees

If enrollment is not complete by July 15, a \$25.00 late fee will be charged. Failure to pay the late fee will be considered a breach of the Cahaba Academy Covenant with grounds for dismissal. Also, to be considered enrolled, all records must be up-to-date and any prior balance must be paid.

Home School Legal Defense Association

Home School Legal Defense Association (HSLDA) membership dues are \$115.00 annually per family (Cahaba Academy Group Discount). HSLDA provides legal counsel and aid to home school families. This fee is paid directly to HSLDA. Contact the Administrator for the HSLDA discount code.

### Transcript Requests

A request for an official transcript of grades must be made one week in advance. Please understand, transcripts will reflect the student's records within Homeschool Reporting Online. Request should be made via the [Transcript Request Form](#) on the Cahaba Academy website.

### Graduation

A modest fee for graduating seniors may be assessed during the last marking period. Families of graduating seniors may coordinate ceremony/exercises if desired.

## FIELD TRIP GUIDELINES

### Field Trips and Activities

Cahaba Academy's Field Trip and Activity Coordinators will assist parents who volunteer to arrange field trips for students and parents. Field trip participation is not required and any cost is in addition to other fees or tuition.

"Field trips are the cream filling in our homeschool cookie." Andrea Berneche

Alabama has many excellent venues for field trips. Cahaba Academy parent volunteers do their very best to plan and coordinate a variety each year to provide you maximum opportunities. Please prayerfully consider which events best suit your family and your student's academics. Our field trips are open to Cahaba Academy and Stepping Stones members only (relatives or guests require prior approval from event-specific coordinator).

Registration for most trips is submitted and paid for via the Cahaba Academy website. Please pay special attention to registration deadlines. Questions about field trips should be directed to the specific coordinator. Registrations are binding and your responsibility.

Please review with your family the 3-Rs before each trip:

**Respect the host.** Plan to arrive early and do not loiter afterwards. Please participate appropriately during the outing.

**Respect the venue.** Please make sure to monitor your family's trash and impact on the facility. Leave no trace or leave it better than found.

**Respect the participants.** Use best manners when interacting with the hosts or fellow participants. Strive to make all interactions Christ-glorifying.

"For we are a fragrance of Christ to God among those who are being saved and among those who are perishing." 2 Corinthians 2:15

### High School Graduation Credit Requirements and Electives

It is important to note that when planning a student's schedule over four years, it would be wise to check with colleges which are being considered as to their specific admission requirements concerning high school curriculum. This process needs to start in the eighth grade. Families of students in grades 7-12 are strongly encouraged to subscribe to HSLDA's e-newsletter, "Home Schooling Through High School." Families of students in grades 7-12 are strongly encouraged to consider the [Alabama High School Graduation Requirements](#) as they develop their 4-year High School Plan.

## GENERAL INFORMATION

### Resource Room

Cahaba Academy maintains a small “library” or “resource room” for all the members of the group. This is for storing and loaning home school teacher curriculum. Visit [Cahaba Academy Library](#). Email: [library@cahabaacademy.org](mailto:library@cahabaacademy.org).

### Jr. High and High School Athletics

Cahaba Academy is enabled to offer competitive athletic opportunities for our 12-18 year-old students through two different programs. We have an affiliation with [Legacy Sports](#), a branch of Essential Church School in Gardendale, and the East Central Patriots in Moody, which is a member of the Alabama Christian Sports Conference. The conference requires that each participating church school verify student eligibility regarding grades, attendance and conference membership. Additional information can be requested by contacting the Cahaba Academy Athletic Director. Another option is the AHSAA, which now allows homeschool students to register to participate in athletic programs at their local public school. For more details regarding eligibility, go to [www.ahsaa.com](http://www.ahsaa.com). Participation in athletics is at the members sole discretion and is not a requirement of Cahaba Academy Membership.

### College Courses

It is possible for students to begin college study while still in high school. If a Cahaba Academy student in good standing is at least 16 years of age, scores 16 or better on the ACT and has a B average, Cahaba Academy can recommend him/her as an accelerated high school student to a local 2 or 4-year College or to an online dual enrollment program. Credits earned from these college courses may also count as high school credits. It is advised that students check with the prospective college to clarify the specific requirements.

Cahaba Academy offers a Dual Enrollment High School Program through an affiliation with Jefferson State Community College. For more information, visit the [Cahaba Academy Dual Enrollment website](#).

### Certificates of Enrollment
