

HEY Mission Statement

HEY exists for the benefit of Yuma's Christian homeschool community to **inform** of relevant laws and opportunities; to **support** in a more rounded education through organized group activities and events otherwise hard to provide in a single-family setting; and to **encourage** all in ways of fellowship, community, and prayer.

Founded in 1988, HEY is Yuma's longest established, nonprofit, Christian homeschool support group focused on raising well-educated, respectful citizens demonstrating desirable work ethics, strong leadership skills, and high moral conduct as reflected in a Christ-centered life.
