The South Bay is a region of the southwest peninsula of Los Angeles County, California. The South Bay is one of the most culturally, economically, and ethnically diverse areas in the United States, with a largely even distribution of the population across European, Asian/Pacific Islander, African, and Latino ancestry. The South Bay community includes 16 distinct communities. These communities boast 23 high schools, 20 middle schools, and 66 elementary schools utilizing a K-5, 6-8, 9-12 grade-level configuration.

South Bay Faith Academy is a private, evangelical Christian school enrolling approximately 225 students in grades K-8 and 95 students in grades 9-12. The school opened in the fall of 1986 and graduated its first senior class in June of 1987. Students enrolled at South Bay Faith Academy may be educated using a variety of instructional models, including traditional classroom instruction, private tutoring, co-operative learning, home instruction, online classes, public and private university extension and community college classes. South Bay Faith Academy operates on a semester system and students receive 175-180 days of instruction in a school year.

Mission Statement
