To access the monthly update:

1. Log in to the website.
2. See the Monthly Update section on the home page for a link to the current issue.
3. Read it online or print it out.

Quick FAQs

How do I get my event printed in the update?

Enter your event on the website no later than the 20th of each month, and it will be printed in the following month's update. No coordinator to email.

When can I expect each month's update?

The update will be available on our website by the Thursday before each faculty meeting. You will get an email each month letting you know when it has posted.

Will I still get a PDF version emailed to me?

No. Monthly updates will only be available on our website, but you have the option to read it online or print it out.

What if I want to submit an announcement but it's after the 20th of the month?

Go ahead and enter your event on the website calendar and post an announcement on the forum. It will be included in the weekly update instead. Due to timing issues, late website event entries will not be included in the monthly update for that upcoming month.
