

Dear Potential Sponsor,

We would like to offer you the opportunity to sponsor our group, HATT (Homeschool Around Temple Terrace), for this upcoming school year. HATT is a group established to help homeschooling families in the Temple Terrace area gain extracurricular and social experiences. We meet weekly to provide enriching opportunities and to establish lasting friendships. We have class days, which include a variety of topics, such as music, art, science, PE classes, etc. We also offer book clubs for all ages, many different field trips, and social gatherings throughout the year.

Perhaps our biggest distinction is that we rely solely on the volunteer efforts of our parents. In an effort to not be an additional financial burden on our families, we charge minimal membership fees. As we grow, however, there are increased financial needs, which can be eased with support from sponsors. We are a not-for-profit corporation, but do not have 501c3 status yet. However, donations to HATT are tax deductible, up to \$500.

We offer 2 levels of sponsorship. The "Ball Cap" level of sponsorship is \$150.00, and the "Top Hat" level is \$250.00 or higher. To thank you for your support at the Ball Cap level, your business information/logo and link will be listed on our website. Top Hat sponsors will be listed on the back of our t-shirts, and on the program to our Spring Showcase. We have over 70 families that are part of our group living in and around Temple Terrace, representing close to 200 children. We expect our membership to continue to grow this upcoming year, as it has in the past. Your sponsorship will allow us to continue to provide an enriching environment for the families of HATT.

Payment can be made to HATT, Inc. on or before August 20, 2022. Upon request, we will send an invoice - thank you so much for your support. We are excited about the opportunities in the year ahead. Please feel free to contact us with any questions.

Sincerely,

Laura Lopez, Talia Knisley
