

HGK Guidelines for Behavior

Parent Code of Conduct

1. We understand that we are to supervise our children and their behavior at all times, and that we are financially responsible as a family for any damage to property caused by a member or guest of our family during any HGK event or activity.
2. We understand that there will be absolutely no smoking at any activity, either in view of the children or on the grounds of any facility we use.
3. When we are on a field trip, we are to follow all rules and restrictions of the host site. If it is a "hands off" policy, we are to see that our children obey.
4. We are to respect speakers and tour guides by quietly paying attention to what is being presented.
5. We understand that the person in charge of the activity, as well as any other parent at the activity, has the authority to address our child's behavior.
6. We understand that it is disrespectful to gather in groups in the back of the audience and chat while speakers are presenting.
7. We will not attend an event if we must leave in the middle of the presentation.
8. We will dress modestly and appropriately at all events where we represent HGK.
9. We will discuss proper behavior and the event guidelines before arriving to the event.
10. We will arrive 10 minutes early for a function, and we will not wait until the night before or the day of a function to get directions and appropriate cell phone numbers of coordinators/facilities.
11. If we cannot attend a function, we will not expect a refund. We will contact the coordinator to let them know we will not be attending so they are not waiting on us.

A child's character is formed not only by what we tell them to do and how we tell him to behave, but how he sees us behave. The respect that we show others will encourage a child to show respect for others.
