

Home Grown Kids of Central Florida, Inc.

2021-2022 COVID-19 Policies and Procedures

- If there are local, state or facility guidelines policies regarding the use of face masks, distancing, and sanitizing we agree to honor and follows those rules. Each family will be responsible for their child's compliance to the local, state and facility guidelines regarding the use of face masks, distancing, and sanitizing.
- We will all agree to report a positive COVID-19 test to the Co-Leaders (Kendra Bowen and Jennifer Turner), trusting that our health information will be kept private. If infected, we all agree to keep our entire family home for 14 days, following a positive test and 3 days after symptoms subside. The entire Home Grown Kids of Central Florida, Inc. group will be notified in the event of a positive test, with each family making their own decision regarding their participation in other events at that time.
- We will be vigilant in our efforts to protect the health of our group. We will agree to stay home when ill, and continue to work together to serve and love one another.
