JMJ Alumni-Mom Ministry Charter

Coordinator and Co-coordinator: The Council shall appoint a Member to act as chairperson ("Coordinator"). A Co-coordinator may be selected who is a Member or non-member.

Alumni-Moms: Mothers who have been a beautiful part of our ministry, but are no longer homeschooling with JMJ. Individuals must have concluded JMJ membership in good standing.

Objectives: One of the goals for JMJ is "to build a faith centered community that supports the homeschooling mother, not only as an educator, but as a wife and mother." The community formed extends beyond Membership as sisters in the Body of Christ. This ministry is to foster our extended community through three pillars: prayer, fellowship, and service.

- Prayer Alumni-Moms support JMJ and its Members with their prayers and JMJ Members pray for our Alumni-Moms and their intentions. Examples: Personal prayers, shared prayer intentions, invitations to join a novena, annual consecration renewal, etc.
- Fellowship There may be events coordinated by JMJ that Alumni-Moms are invited to join and Alumni-Moms may coordinate events that JMJ Members are invited to join. This ministry can also help coordinate group participation in community events. Examples: Socials, events, retreats, etc.
- Service Alumni-Moms have a treasure of experiences from homeschooling as well as their individual gifts and talents and are urged to pray about how they might help serve the JMJ community. Examples: Q&A panel for high school families, assistance at events like Promotion Ceremony, fundraiser participation, sharing at a moms' night, etc.

SECTION II: GOALS

The goals for JMJ are:

- to build a faith centered community that supports the homeschooling mother, not only as an educator, but as a wife and mother.
- to contribute to the spiritual and intellectual development of our children by sponsoring both whole-group and age-targeted activities, such as field trips, classes/programs, and community service projects;
- to build a strong social base (grounded in the Catholic Faith) by providing members (both adult and youth) with a variety of stimulating social opportunities;
- to work to ensure the group's viability, unity and well-being by seeking and welcoming members who will respect and support the JMJ community, its purpose, statement of faith, goals, and core values;
- to ensure that our Catholic identity permeates all group classes, activities, service projects, procedures and policies.
