## Keynote Speakers

**Rachael Carman.** After surviving sixty-three months of pregnancy, countless sleepless nights, and 35,000+ diapers, this one-time control freak encountered God's grace. And she encourages you to do the same! In her books *How Many Times Do I Have to Tell You?* and *How to Have a HEART for Your Kids*, Rachael challenges mothers to surrender their will and draw closer to their heavenly Father. A sought-after speaker in over thirty states and seven countries, Rachael describes her struggles with perfectionism and impatience and shares her challenges, failures, and victories amid the ever-changing seasons of life. Her honesty will surprise you, and her humor will put you at ease. She has been married to her husband, Davis, since 1986. They have seven kids with whom they love to laugh. Together, they own Apologia Educational Ministries.

**Davis Carman** got started on his homeschool adventure with a providential two-by-four on the side of his head. Twenty years and four graduates later, he hopes to share some of the lessons he's learned along the way to help other families enjoy the most successful, satisfying, and Christ-centered home school possible. His mission is to help homeschooling families learn, live, and defend the Christian faith. This is accomplished in part through his work as president of Apologia Educational Ministries, the #1 publisher of Creation-based science, Bible, and Language Arts curriculum with more than fifty #1 awards from homeschool organizations and media. An author of four children's illustrated books and a speaker in over thirty states and seven countries, Davis has also served in leadership roles statewide in North Carolina. He married Rachael in 1986, and God has blessed them with seven children.
