

What are Umbrella Schools? Non-Traditional Private Schools for Homeschoolers

These are registered organizations that provide homeschooling families with the service of record keeping. (testing, attendance, transcripts, etc)
Their cost & services will vary. We suggest that you contact them for more details.
Home schooling families have the option to become a member of any one of the schools listed below, but it is not a requirement.
You may choose to be an independent homeschooler. This means you will need to notify the local school district of your decision to home school, and you will be the one responsible for your child's records and portfolio.

On our website you will find:

A sample letter of intent under, "Forms Library"
