

## SEEK Media Release & Permission to Publish

During the school year, we have opportunities to share the accomplishments and activities of our students. To do this, we may take photographs, voice recordings, video recordings, and other visual documentation of students and adults. SEEK Homeschool Inc. may share these images and recordings in SEEK publications and marketing materials (both digital and print), and we may also share these media images and recordings with newspapers, TV stations, and other print and digital media publications.

Such publications may include but are not limited to: publicly displayed photographs, press releases, interviews, advertising brochures, newspaper articles, newsletters, yearbooks, and social media outlets. These publications become the property of SEEK Homeschool Inc. Please indicate below whether you consent to these media images to be gathered and published, and your permission will remain in effect while your child is enrolled at SEEK.

I hereby waive any right to inspect or approve the finished photographs or electronic matter that may be used in conjunction with them now or in the future, whether that use is known to me or unknown, and I waive any right to royalties or other compensation arising from or related to the use of the image.
