

Teacher: Beth Beck

Course: This class is designed to give students an overview of history from Creation to 30AD. We will visit famous men and moments in history and study the events and people surrounding these men/moments. There will be a deliberate study of history around key Old Testament events in order to help the students more fully understand the context of certain biblical events.

Comments: This class will be a vigorous Junior High level class that will seek to prepare the students for high school. While the readings are light, and the homework will not be rigorous, there is an expectation of the following: the student **MUST** have legible handwriting, the student **MUST** come ready to participate, the required 5 minute long presentation will be on a history topic of the student's choosing. I will also be helping the students to learn to take notes.
