

SEICHE Membership & Statement of Faith Agreement

We understand that Southeast Indiana Christian Home Educators is a ministry of Christian families who come together to give and receive the support and resources that will more fully enable them to provide a home education for their children in which the Lord Jesus Christ is central and supreme. Parents will be encouraged in their walk with Christ so that they will be further equipped to raise children who live out the character, truth and compassion of Christ in their unique, God-given life purposes.

With this foundational group mission, we understand that it is essential that SEICHE members have a common conviction to core biblical principles.

Therefore, I/we affirm that I/we have fully read, understand, and are in agreement with the SEICHE Statement of Faith.
