

Christian Home Educators Fellowship of Baton Rouge

Strengthening Families - Educating Leaders

Since 1990, CHEF-BR Athletics has provided student-athletes in our community the opportunity to participate in sports teams which compete throughout Louisiana and into other states. Our program is a competitive Varsity and Junior Varsity Youth Sports Ministry seeking to honor God in our character and physical abilities. We have been the ACEL State Champions at least once in every sport in which we compete with some sports teams winning multiple State Championships, including our CHEF-BR Football Patriots.

Our programs are made possible through the generous donations of community leaders like you. Over the years our private and corporate sponsors have made a significant impact on our ability to train and facilitate our student-athletes. Sponsor contributions have gone toward facility rental, uniforms, equipment, safety and first aid, travel and tournament costs and many other necessary expenses. Your generosity and support of our program allows us to do things that would otherwise be impossible.

As we prepare for the upcoming football season, we are again seeking sponsors who have a heart for God and want to contribute to a quality program for young men that helps them grow as athletes and Christians. All donations of \$50 and greater will be listed on home game programs and announced during home games. As an Elite Sponsor with a \$500 or greater donation, your logo will be showcased in our program and with a banner at all the home games.

CHEF-BR is a non-profit 501c3 organization, all donations are tax deductible. We will gladly send you a receipt if desired; please make note if needed when you send your donation. Donations can mailed to:
