**Please fill out the following information for each of your students that are 7<sup>th</sup> – 12<sup>th</sup> grade. These students have class options every hour. Please mark class choices according to the following information for each hour:**

**1<sup>st</sup> hour** – Looking at the chart you can see that the students have 5 different elective choices for first hour. Two of the choices are full year classes (Constitutional Literacy, and World Geography). Students placed into either of these classes will **not** switch classes mid-year. Three of the choices are half year classes (Drama, Art of Argument, and Cooking). Students will be placed in a half year class first semester, and a different half year class second semester. We ask that you number each of these five classes 1 through 5, #1 (being your first choice) down to #5 (being your last choice). Please do not purchase books for these classes until we notify you of which class your student has been placed. We will make every effort to put your student in your preferred choices but have a maximum number of students that fit into each class. We cannot guarantee your first choice.

**2<sup>nd</sup> hour** – The classes this hour are all full year classes. Please choose a 1<sup>st</sup> choice and a 2<sup>nd</sup> choice out of the science class your child needs, and cooking. Science is our priority, so we will try our best to get all students in the science class they need.

**3<sup>rd</sup> hour** – PE and Ladies & Gentlemen are both full year classes. Please choose a 1<sup>st</sup> choice and a 2<sup>nd</sup> choice for each of these classes.
