

Senior Bio Videos

What is a senior bio video? It's a short video highlighting the life of each senior. It includes music, a narrative, and photos important to your senior.

COST

\$50 per video (separate from the graduation fees and payable to the videographer)

PHOTOS

A 60 second video consists of 15 photos submitted by family.

Photos must be:

- good quality
- jpg file
- named like this: LASTNAME#
 - example HAYES1, HAYES2
 - this labeling system represents the order in which you would like the photos viewed

Please Note:

- *NO PHOTOS FROM SOCIAL MEDIA*
- A senior photo is a nice way to end the video
 - * No videos
 - * No hardcopies of photos (all printed images must be scanned)
 - * Poor quality images will not be used

INTRO FOR EACH BIO

- The headshot photo (taken in April) of each of the seniors to be used as an introduction to each bio
- Email Tanya correct, complete name of senior as they want it on the video/in yearbook/on programs
- **Include a scripture, life verse, or quote.**

NARRATION

- Narration is optional (there will be background music)
- Mom, Dad, or an important person to the senior describes the images or gives background to the senior's interests, past or future
- If you choose this option:
 - script should not exceed 57 seconds
 - plan your script and practice before recording
 - use the best quality phone you can
 - remove all background noises or distractions
- If the recording is unusable the videographer will contact you to make other arrangements
- Please make arrangements to send this late if you want to include the name of the college
- Text or email to Tanya

MUSIC

- Music will be chosen by the videographer or you can send name of song & artist
