About Classical Conversations

Classical Conversations is a k-12 classical, Christian community. CC believes the purpose of education is to know God and make Him known. Our purpose is to lead the home-centered education movement by teaching parents and students the classical tools of learning in order to discover God's created order and beauty, and as a result, enable others to do the same. You are the primary teacher and our tutors/directors model and guide students and parents in the skills to be learned and the integration of subjects within a Christian worldview. We have over 120, 000 students in communities in 52 countries.

We have three local communities in the area. Our Lansing campus meets on Mondays and has Foundations, Essentials, Challenge A, Challenge B, and Challenge II for the 2022-2023 school year. Our East Lansing campus meets on Tuesdays and has Foundations, Essentials, Challenge A, Challenge B, Challenge I, Challenge II and Challenge IV for the 2022-2023 school year. Our Jackson campus meets on Fridays and has Foundations, Essentials, Challenge A, Challenge B, hopefully Challenge 1 for the 2022-2023 school year.
