

HHSA Statement of Faith

We believe God is the Creator and Sustainer of the natural world. Men and women are created in His image for the purpose of glorifying Him.

We believe that all of humanity is affected by sin and therefore falls short of glorifying God. Yet because of God's great love for us, we have been saved by grace through faith in the Lord Jesus Christ. This is not our own doing, but the free gift of God.

We believe the Bible is God's inspired Word, given to us for teaching, rebuking, correcting and training in righteousness, so that believers may be equipped for every good work. Therefore, we support education that accepts the Bible as the final authority on all matters of life and faith.

We believe God is the author of the family, originally mandating that a man shall leave his father and mother and be joined with his wife as one flesh. Therefore we believe marriage today should mirror this God-ordained institution consisting of the union of one man and one woman.

We believe God has given us, as parents, the responsibility of training and teaching our own children in accordance with the Scriptures. Therefore we seek to lead our children to serve the Lord Jesus Christ with all their heart, soul, mind, and strength. We believe that the Holy Spirit serves to guide and empower us in the pursuit of godly living and the raising of our children.

We believe that together we are the body of Christ and individually members of it. Therefore we are unified through our common faith in Jesus Christ and individual doctrinal differences which may exist should not hinder our unity as Christian home educators.
