Discipline

Ephesians 5:10

"Trying to learn what is pleasing to the Lord." NASB

The word trying is important here. God knows and WEST knows that no one is perfect. WEST students are not characterized by disobedience. The basis for discipline at WEST is that we are all working towards behavior that honors God, other people and their possessions.

- There will be NO TOLERANCE for behavior, clothing, or possession that does not contribute to the seven premises on which this Code of Conduct is based.
- WEST retains the right to discipline a person for involvement in a situation or possession of an item that has not been previously mentioned.
- The discipline procedure used will depend on the perceived severity of the offense. While our goal and intention is to use the disciplinary policy for all situations, we recognize that a situation may arise that requires immediate expulsion of a student.
- In that event, WEST reserves the right to expel a student immediately or on short notice with or without explanation.
