

## Parent Involvement

All families must have one adult help for two hours of each day of class. If you are unable to help, then the tuition will cost an extra \$200 per child. If you are a lunchroom monitor, you only have to help that one hour. If you only have a kindergartener participating, then you will only need to help 1 hour. Another option if you can not be there during the day would be to help as the Field Trip Coordinator.

### Library Monitor:

Monitor the library during class to make sure HeartStrong children are being considerate of the facilities. Help contact parents in case a child is sick or upset.

### Lunchroom Monitor:

In the conference room, help kindergarteners finish their day – assisting with clean up and dismissal. Set the room up for lunch which begins at 12:15. Open containers and help children as needed. Maintain order. Work with children to clean up the conference room. Help with dismissal back to class. Finish cleaning up conference room.

### Classroom Helper:

Classroom Helpers don't have to do any planning, just show up and be an extra set of hands in the classroom. You will also get a \$50 discount for each class you help in, which could be all day or just part of the day. If you are a classroom helper for just 1 hour, then you will also need to be a library monitor for 1 hour.

If a teacher is sick, then you will be asked to be the sub (all materials will be planned for you). The teacher will compensate you for subbing.

### Field Trip Coordinator

Organize and coordinate 1 field trip each semester.
