

Printing Hints

This document should print well in color on a color printer or in black and white on a Black and White printer.

Set your printer to “Fit to Page” so that the edges are not cut off.

If you have trouble Printing:

Try printing smaller groupings of pages. This is a very large document and is color/graphic rich. Some printers may not respond well to printing the entire document at once. Print two or three pages at a time if you have trouble printing.

If you have any other problems with the document or have any questions, please send me an email at tptqueenofthejungle@gmail.com or contact TPT help for technical information.
