No payment due in December.

Supply Fee: \$35 one time

Supplies Needed: 2" three-ring binder, page dividers with tabs, clear sheet protectors, pencils, colored pencils – 12-pack.

Course Description: AAA includes a study of art history and in depth application of the elements, media, and methods used in creative processes and thought. We are going to explore many areas of art and its contribution to society. Every student will be able to participate in what we are doing – even if they don't think they are "creative" or "artsy". I believe everyone has a creative side and I look forward to seeing the students discover theirs through this class!

Some of the artists we will study and apply their techniques are the following: American Artists, Renaissance Artists, Baroque-Impressionist Artist, and All-American drawing.

From the Instructor: I am married to Jason Cook and we have 5 children. I have been a homeschool mom for 8 years. Two of my children will attend Park Place Christian Academy next year, where my husband is the Secondary (7-12) Principal. We are members and faithfully serve at Park Place Baptist Church in Pearl. I enjoy crafting and art, of course, and coffee☺. When I get a chance I like to jog and watch football with my husband. I look forward to teaching this course and getting to know the students. We will have a lot of fun discovering God's world through art and its history.
