Conestoga Valley Homeschoolers is a Christ-based, parent-led co-op, offering classes for preschool through high school, as well as nursery care.

Students in grades K-6 have choir, gym, and an elective choice each semester. Grades 7-12 choose 3 electives each semester. Academic and life skill courses supplement your schooling at home.

We provide opportunities for our children to socialize with other homeschoolers through physical education, music, field trips, enrichment classes, and social events. Monthly nights out invite our moms to fellowship, support, encourage, and pray for one another. We keep our costs affordable for all family incomes by utilizing the gifts and talents of our co-op parents to teach classes and organize group activities. Homeschooling meets Life Coaching

Are you brand new to homeschooling or have you been on this journey for a longtime? Wherever you find yourself, I am here to encourage and help you along your way!

My name is Heather VanHaxleden and I am a homeschool mom of eight with over 22 years experience. I understand the highs and lows, the overwhelm and stress, the comparison and second guessing ourselves we all go through. The questions that ring through our minds...are we doing enough, are WE enough?

I am here to tell you, Yes! and You are!

As a homeschool mom and Christian life coach I would be delighted to come alongside you and help support you on this journey. I have come to appreciate and value the lifestyle homeschooling offers. I am far enough down this path that I can see the results of those long, hard days that never seem to end.

Homeschooling is not always easy, but that doesn't mean it's not possible! I would love the opportunity to help cheer you on, reignite your desire and restore your joy in the wonderful privilege of homeschooling!

We, the Firmly Planted community, are a group of families like-minded in our desire to educate our children with excellence in such a way that the treasure of learning truth about God, His world and His work become their delight, and that communicating the Gospel becomes their passion. By coming together as a team, we as teachers become more equipped that we may equip our children to stand firm, and bear fruit, communicating truth with both skill and grace.

In our community, we use the Classical Christian model of education, emphasizing memorization for the younger students and continuing with logic and reasoning skills in the higher elementary grades. We have found the classical model to be refreshingly scaleable among different learning styles and capabilities, facilitating cyclical learning that provides repetition over time and allows gentle absorption of knowledge according to the student's developing capabilities.

All About MACH:

You may be wondering what makes MACH different from other co-ops?

Did you know, Pennsylvania passed House Bill 1615, which changes the compulsory school age from ages 8-17 to ages 6-18? Homeschool parents now need to provide an affidavit, compile a portfolio, and have an evaluation done for any child 6 years or older. At MACH we provide academic classes for *all ages*. Our classes are on a scheduled rotational basis, so you know your child will receive all the necessary training in science, history, physical education, and in the secondary grades, English Writing & Literature. Our co-op classes provide this necessary teaching, as well as provide worksheets, projects, etc. to include in the homeschool portfolio.

Elementary Students:

- Receive teaching of history from K- 6th grade, with a 4th grade emphasis on PA History.
- Are taught all areas of science, with class time dedicated to lab work, "hands-on-activities", and special in-depth unit studies.
- Participate in year-long gym classes, and are instructed in a variety of group sports, learning teamwork, listening skills, coordination, and agility. At-home physical fitness is also encouraged. Log sheets and tests are optional but make great additions to the homeschool portfolio.
- In addition to the morning classes of history, science, and gym, students may choose to participate in afternoon electives such as art, life skills, Lego club, music, and drama.

Junior and Senior High Students:

- Students completing our regular rotation of morning courses, will receive all the credits needed to fulfill the homeschool law in the area of Science, English, and Social Studies.
- Areas of science which are taught: Earth Science, Life Science, Physical Science, Biology, Chemistry, and Anatomy & Physiology
- Social Studies rotation includes: Early American History, Renaissance & Reformation, World Geography, Modern World History with World Religions, Personal Finance (economics), Government/Civics, and Psychology.
- Our English rotation includes a strong writing component in the junior high years, including instruction in writing a research paper. Grade appropriate novels are read and analyzed. Students will also learn speech skills and give oral presentations. High school students rotate through the following three courses: English with an American Literature emphasis, English with a British Literature emphasis, and English with a World Literature Emphasis. High schoolers will continue to sharpen their written communication skills, as well as their oral communication skills through both individual and group presentations.
- Students may participate in additional afternoon electives, such as art, debate, volleyball, and music/drama. Math classes are also available at this level.

What does this mean for you as a parent?

- Having a continuous rotation of classes gives parents the assurance their student is receiving all the teaching and instruction needed to fulfill the homeschool law. It helps eliminate the guess-work and stress of wondering if your child is learning all they need to know!

Finally, brothers, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things. What you have learned and received and heard and seen in me—practice these things, and the God of peace will be with you. — PHILIPPIANS 4:8-9
