As a member of your CHALC Co-op, This is a daily video news program produced by Christian journalists for students. Most of the programming is appropriate for all ages but when they cover a topic that may be too mature for the youngest in your family, they provide a warning. **It's a great way for families to stay up on current events in the framework of a Christian worldview.** If you'd like to use this awesome resource in your own homeschool plan, simply go to the signup page and enter this code: **RHAE3R**, then continue with setup instructions.

Firmly Planted Classical Community

We, the Firmly Planted community, are a group of families like-minded in our desire to educate our children with excellence in such a way that the treasure of learning truth about God, His world and His work become their delight, and that communicating the Gospel becomes their passion. By coming together as a team, we as teachers become more equipped that we may equip our children to stand firm, and bear fruit, communicating truth with both skill and grace.

In our community, we use the Classical Christian model of education, emphasizing memorization for the younger students and continuing with logic and reasoning skills in the higher elementary grades. We have found the classical model to be refreshingly scaleable among different learning styles and capabilities, facilitating cyclical learning that provides repetition over time and allows gentle absorption of knowledge according to the student's developing capabilities.

*He will be like a tree firmly planted by streams of water,
which yields its fruit in its season and its leaf does not wither;
and in whatever he does he prospers. Psalm 1:3*

MACH

Manheim Area Christian Homeschoolers
@ East Fairview Church of the Brethren, Manheim, PA

**WELCOME BACK! WE ARE SO
HAPPY TO BE TOGETHER AGAIN!!**

Members' thoughts on another year together:

Callison (10th): I've been at MACH for 15 years—my whole life! Last year, as a freshman, I had amazing teachers who made class time fun. I'm looking forward to what this year holds, and am of course, excited to reconnect with my friends (and play volleyball!)

LaWanda (mother): When I joined MACH 19 years ago, I thought it was for the sake of my children! Surely it would provide them with the structure, accountability, and community they needed. However, I soon realized co-op was benefiting me in the same way, as well! 19 years later I still find I need the support this group provides. Together, we ALL learn and grow!

Levi (4th): I can't wait to see my friends again at co-op! The subjects I am most looking forward to are science and gym.

Ocean (3rd): I want to learn about science, art and games. I like to have fun while I am learning.

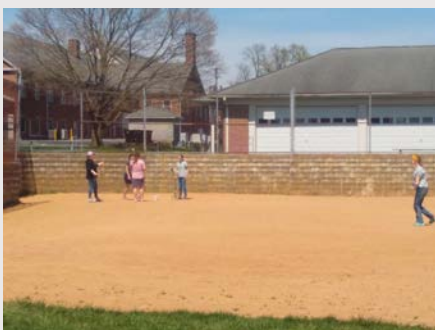

Jes (mother): I am entering my 4th year at MACH. I look forward to the excitement my own children have at reconnecting with friends. I also appreciate the support, prayers, and friendships shared at co-op. I enjoy teaching and helping in classes and only having to provide lunch once a month!!

Conestoga Valley Homeschoolers

www.homeschool-life.com/pa/cvhomeschoolers/

Conestoga Valley Homeschoolers is a Christ-based, parent-led co-op, offering classes for preschool through high school, as well as nursery care.

Students in grades K-6 have choir, gym, and an elective choice each semester. Grades 7-12 choose 3 electives each semester. Academic and life skill courses supplement your schooling at home.

We meet on Thursday afternoons for 10 weeks in the fall and 10 weeks in the spring at DOVE Westgate Church, Ephrata. We provide opportunities for our children to socialize with other homeschoolers through physical education, music, field trips, enrichment classes, and social events. Monthly nights out invite our moms to fellowship, support, encourage, and pray for one another. We keep our costs affordable for all family incomes by utilizing the gifts and talents of our co-op parents to teach classes and organize group activities. "Having gifts that differ according to the grace given to us, let us use them:" (Romans 12:6a)
