Learning Station

Our parent-run homeschool co-op meets at Lancaster Evangelical Free Church (LEFC) in Lititz, PA. Elementary classes run for 10 weeks per semester while 7th-12th grade students attend upper level classes for 10-15 weeks per semester.

Learning Station offers two tracks to membership: co-op track and upper level only track. Co-op track members teach and serve within Learning Station. This track is required for all families with enrolled elementary-aged children or those with older students who wish to participate in Learning Station's Theater Arts program. Upper level only track registration is open to families with 7th-12th grade students after co-op track students have registered.

Elementary classes vary from year to year. Learning Station's members' interests and talents dictate the subjects and topics taught. Our elementary classes are designed to supplement your home curriculum--not replace it. Therefore, most of the work will be done in class. Our upper level classes, however, include "for credit" academic courses as well as "enrichment" options.

Upper level class registration is closed for the fall , but there is still time to register for these spring classes.

American History 2 will cover from the Civil War until the present day. There will be several projects assigned throughout the year such as a timeline and short research papers, as well as presentations on an innovation that affected America and on one of the US presidents. The students will be encouraged to pursue personal interests in the context of the historical material. Discussions will include talking about how God guided in the history of our nation and how we can be a positive influence in our society.

American Government will examine governmental institutions and principles that started to form when we were still British colonies and were formalized when we gained our independence. So, we will talk about the Constitution, the branches of government, how elections work, how the major political parties started, and the influence of money and the media in our political system. These are just a few themes that the class will examine.

Cultural Geography will examine governmental institutions and principles that started to form when we were still British colonies and were formalized when we gained our independence. So, we will talk about the Constitution, the branches of government, how elections work, how the major political parties started, and the influence of money and the media in our political system. These are just a few themes that the class will examine.

Research Writing will cover several of the forms used for research papers for different types of classes/disciplines, including MLA, APA, CMOS, IEEE, and AMA. The students will find acceptable resources for each type of paper, write one-two pages, and learn how to properly cite using the appropriate style. The students will also be learning how to make annotated bibliographies and how to use other techniques that help people stay organized and be efficient when writing a research paper. Owl.purdue.edu Writing Lab is the main website used by this course to verify details for all of the styles.

Watercolor Techniques will explore a variety of ways to use watercolor. We will learn how perspective, lines, and texture can create distance and movement. We will study watercolor artists and use their techniques to create our own paintings. This will be available for those who have never taken it before or those who want to continue from last year's class.

Intro to Architecture will provide students with an introduction to architecture. This field includes the application of the principles of form and function to the design of buildings intended for a particular use on a certain piece of land. There will be practice in the use of area standards for the layout of a building interior. There will also be instruction in elements and history of exterior design such as classical architecture and various architectural styles through history. Some of the fields that are part of the complete building design process will be reviewed. Students would need to be comfortable with algebra, geometry, and mechanical drawing or sketching.

Other spring class options include: Creative Writing, Food Chemistry, Ornithology, Fitness 101, & Swing Dance.

Pre-Calculus

Full Year, 10th-12th grades - Mrs. Peggy Teeter

This class will provide students with background to key mathematical concepts needed to prepare for calculus. Topics include trigonometry (definitions, operations, inverse functions & identities), rectangular & polar coordinates, functions, domain & range, logarithms, sequences & series, limits, and imaginary/complex numbers. Graphing of functions will be reviewed. Course will include one-hour weekly class, weekly assignments, quizzes, and unit tests. Prerequisites for this course include Algebra II and Geometry, with a minimum grade of C achieved for each of these classes. Textbook: PreCalculus with Trigonometry, published by Math-U-See, 2010.

Biblio History Year 1 & Year 3

Full Year - Mrs. Shallon Rohrer

Introducing two years of a classical history and historic literature rotation to give a complete history chronology in four years. Combining U.S., World, Biblical, and Church History, Geography and more, Biblioplan starts at Creation and continues through modern times. In 2022-2023 years 1 and 3 are being offered with the goal of offering years 2 and 4 the following year. Both classes follow the format of homework each week, including reading in the textbook, answering related questions, writing summaries, and map pages to go along with the chapter.

Year 1—Ancients covers World and Biblical History from Creation through the Fall of Rome. Chronologically speaking, it starts with the seven days of Creation, and ends with the demise of the last Western Roman Emperor in AD 476.

Year 3—Early Modern covers U.S., World and Church History from 1600 – 1850. Since England planted its first lasting American colony in 1607, Year Three is the first year that includes U.S. history.

Hebrew

Full Year - Mr. Benaiah Fogle

This class is an introduction to the Hebrew Language of the Old Testament. Students will learn to read and write the letters of the Hebrew Alphabet along with its vowel markings, as well as read and pronounce a list of basic vocabulary words. Students will learn the basic grammatical features of the language and will by the end of the class be able to read and translate short sentences or verses. Other topics that will be covered include; The History of the Hebrew Language, The difference between Biblical Hebrew and Modern Hebrew, Biblical Hebrew Study Resources, Practical uses for Biblical Hebrew, How to continue your study and more.

Intro to Architecture

Spring 2023 - Mr. Mark Campbell

An introduction to architecture includes the application of the principles of form and function to the design of buildings intended for a particular use on a certain piece of land. The use of area standards for the layout of a building interior will be practiced, and the elements and history of exterior design and architectural style through history will be explored. Some of the fields that are part of the complete building design process will be reviewed. Students would need to be comfortable with algebra, geometry, and mechanical drawing or sketching. Each student will prepare and present a design project as part of this class, either individually or as part of a team. There will typically be weekly homework and at least one test. The required text is The Story of Architecture by Jonathan Glancey, and other readings may be assigned by the teacher.

Jane Austen's Life & Novels

Full Year, 9th-12th grades - Mrs. Heather Cherasaro

This class focuses on the life of Jane Austen and an in-depth study of three of her novels and the ways in which she expressed her concerns and preoccupations with the changes that occurred in her time. These changes included: the status of women; the interconnection between marriage, money, and love; and the relationship between social status and wealth. Books to be purchased: Persuasion, Emma, and Pride and Prejudice.

Health

Fall 2022 - Mr. Adam Newswanger

This class covers multiple areas of health: maintaining health through exercise, diet, and hygiene; safety; basic first aid; preventing diseases; avoiding drug abuse; and the variety of medical careers that exist. The textbook for this class is Health in Christian Perspective by A Beka Books.

is a released time program offering Bible classes to children in the public schools. The Penn Manor program is looking for volunteers to work with 2nd – 4th graders. We would love to have some homeschool families get involved in making a difference in our public school communities. We're looking for families or individual parents or teens who'd volunteer their time to lead a small group of students. The programs meet 1 day a week from approximately 11:00 a.m. – 1:00 p.m. Write to Heather Myer at b2sletort@gmail.com for more information or visit our website <https://pennmanor-pa.bible2school.com>.

For the 2022-23 school year, we will be a **26-week**, academic co-op where your child will receive all the necessary instruction for science and history as well as writing and literature for upper classes. Your child will enjoy class interaction and learn to be responsible to another teacher. Moms enjoy connecting and supporting one another in our family atmosphere. An option for high school students to attend without parental participation is also available.

Classes are held on Tuesdays at the East Fairview Church of the Brethren in Manheim, PA.

Homeschool Brick & Mortar College?

Join **English & Creative Writing** at **Lebanon Valley College!**

Where customized coursework and
1-1 attention from award-winning faculty
help homeschoolers feel right at home :)

"My name is Josh Hildebrand and I am a recent alum (2022) of English and Creative Writing (double major) at Lebanon Valley College. Before attending LVC, I was homeschooled. I graduated from Commonwealth Charter Academy in 2018. The transition from homeschool learning to a traditional brick and mortar setting can be frightening. I was nervous before attending LVC; **I had never been in an actual classroom before.** However, my transition was made so much easier with the help from my classmates and professors in English & Creative Writing at LVC. **I immediately felt at home**, my professors assured me they'd be there for me if I ever needed any guidance and my classmates encouraged me. I've already earned an exciting job in my field and I wouldn't be here today without their help!"

Conestoga Valley Homeschoolers

www.homeschool-life.com/pa/cvhomeschoolers/

CV Homeschoolers, a Christian-based, parent-run co-op meets ten weeks from September through November and ten weeks from February through April on Thursday afternoons.

We offer Nursery and Preschool. Grades K-6 have choir, gym, and an elective each semester. Grades 7 and up have two or three electives each semester with music/choir in the spring. Electives include academic and non-academic classes.

Membership fee includes ALL classes for ALL of your children for both semesters. Some classes may require that you purchase certain books or pay additional fees to cover needed supplies, but we always try to offer a "no-additional cost" class option for every period and age group. Our parents volunteer to teach the classes and fill helper positions. We rely on parent participation and offer activities that parents are willing to organize and staff. This keeps our costs low and affordable for all family sizes and incomes.

June 24, 2022 5:00pm - 9:00pm • 7-Up Outdoor Game Night

Hot dogs, chili and drinks will be provided. Each person is asked to bring your own chair. Bring a snack to share and your favorite yard game! We will mostly be outdoors, so if it rains, we will need to reschedule. Moms are welcome to stay.

July 12, 2022 3:00pm - 7:00pm • Conestoga House and Gardens

(1600 Marietta Ave., Lancaster, PA 17603) www.conestogahouse.com

*You don't want to miss this opportunity to spend time with your fellow homeschool mommas and enjoy the *incredible* gardens and grounds at Conestoga House and Gardens! We'll take our time perusing the grounds and share refreshments while we sit by the pool! Dress in your favorite comfy summer dress or outfit and bring your favorite savory or sweet summer appetizers!*

July 30, 2022 5:00pm - 8:00pm • 7-Up Outdoor Cookout & Games at the Singer's

Come have a fun evening with your friends playing yard games at the Singer's! Hotdogs & drinks will be provided. Please bring a side dish to share. Rain Date: July 31

August 19, 2022 5:30pm - 10:00pm • 7-Up Outdoor Games & Movie Night

We will start with dinner, then walk to the neighborhood school around 6:30 where a gaga pit, basketball courts, 4 square, and a big field are available. We will then head back to the Smoker's backyard to watch an outdoor movie once it starts to get dark. Movie to be determined. Mac & cheese and chili will be provided. Bring a side dish, or snack and drink to share. Please bring a camp chair and any basketballs, kickballs, etc that you might want to play with at the playground. Parents are welcome to stay! Rain Date: Saturday, August 20

August 30, 2022 7:00pm - 9:00pm • Mandatory Parents' Meeting

Meeting at DOVE Westgate Church in the Cove. There will be treats, fellowship, and information about our upcoming year. (Come at 6:45 if you want some extra chat time!) This is a MANDATORY Meeting for ALL Moms and Teachers! (Meeting is mandatory for the parent who will regularly attend co-op, not students.) Class fees will be collected at this meeting.

CHEX is a group of homeschool families joining together to fellowship, encourage each other in our life's journeys, and provide excellent group learning opportunities for our children. We meet as a whole group on Wednesday mornings from 8:45am - 12:00pm at Calvary Baptist Church in Lancaster, 8 weeks in the fall and 8 weeks in the winter. High school academic and some elective classes meet an additional 8 weeks for a total of 24 weeks.

Conestoga Valley Homeschoolers

Contact: conestogavalleyhomeschool@gmail.com

We are a Christian-based parent run co-op. We offer nursery and preschool. Grades K - 6 have choir, gym and the choice of an elective each semester. Grades 7 and up choose 3 electives each semester. Electives include academic (biology labs) to non-academic (cross-stitching). We are a supplement to your schooling at home. Besides co-op classes, we offer monthly moms' meetings, a choir concert, talent show, music classes, gym classes, Track & Field day, field trips, and a learning fair. Our parents volunteer to teach the classes and fill helper positions. We rely on parent participation and offer activities that parents are willing to organize and staff. This keeps our costs low and affordable for all family sizes and incomes. We meet Thursdays from 12:45 - 3:25pm in the Lancaster Area. There is a waiting list.

CornerstoneHomeschoolers: Upper Tier

Contact: Anne Flinchbaugh Richey
