Your evaluator will be interested in hearing about any extra-curricular activities that you have engaged in especially when you have shown leadership or have served the community. Please check any such extra-curricular activities below:

- ___ Volunteer work (library, crisis pregnancy center, hospital, visiting nursing homes, etc.)
- ___ Leadership in activities ((leading a class, helping with younger children at Sunday School, etc.)
- ___ Entrepreneurial/work activities (own your own business/ job work)
- ___ Field Trips and social activities

Please note that: "The following minimum courses in grades nine through twelve are established as a requirement for graduation in a home education program:

- (1) Four years of English.
- (2) Three years of mathematics.
- (3) Three years of science.
- (4) Three years of social studies.
- (5) Two years of arts and humanities."

If high school level courses have been completed at younger ages than grade 9 or if the student is in an accelerated program to graduate at an age earlier than his/her peers, those courses could be entered on the student transcript in those years.

**The compulsory attendance law requires that students must be in attendance at a school or homeschool until their 17th birthday. After that date, parents may choose whether or not they wish to continue doing the home education paperwork regardless of whether or not the student completes the home education program.
