

Vine and Branches Home Educators Fee Schedule 2010 - 2011

Welcome to Vine and Branches Home Educators, providing three distinct ways to serve the needs of homeschooling families throughout Horry and Georgetown counties! Costs and benefits vary based on which services your family chooses—Accountability Only, Support Only, or both Accountability and Support.

We are a Christian group that welcomes ALL area homeschoolers, regardless of religious affiliation.

Accountability Only Members: Families can join our homeschool association for legal accountability only, which satisfies Option 3 of the South Carolina homeschooling laws.

<u>Cost to Join Accountability Only:</u>	
New Accountability Members (includes new member processing fee):	\$65

Support Only Members: Families can join our homeschool support system, which offers your choice of field trips, social activities, academic activities, and a wide variety of classes at four locations. The support section of VBHE does NOT satisfy any legal requirements under Option 3 of South Carolina's homeschool laws. Members participating in Pathways for Scholars or Arts After Lunch are still responsible for any additional fees charged by those programs.

<u>Cost to Join Support Only*:</u>	
Support Only (Includes annual insurance):	\$35

Accountability and Support Members: Consider joining both our homeschool association and our support system! Look no further for a group that can answer your questions about curriculum and legal requirements, as well as to provide enriching academic and social activities for your homeschool family.

<u>Cost to Join Accountability and Support*:</u>	
Both Accountability and Support (includes annual insurance plus new member processing fee):	\$95

*ALL members of the VBHE support system are covered during VBHE activities through our group insurance policy. This will protect your family during field trips, activities, at Pathways for Scholars, and Arts After Lunch. Insurance fees are included in your support fees.
