

Edit My Profile - Family

TABLE OF CONTENT

I.	Login to your Family Website	2
II.	Edit your Profile Page	2
	A. Navigate to your Profile Page	2
	B. Edit Information on your Profile Page	3
III.	Forced Profile Edit	3

I. Login to your Family Website

II. Edit your Profile page

A. Navigate to your Profile page

1. Select the profile icon or link at the top of the page

B. Edit Information on your Profile page

1. As you scroll down the page, you can edit any of the information that is there, such as forms, login username and password, address, children information, email and forum preferences, etc.

2. Select **Update** at the bottom of the page

III. Forced Profile Edit

1. When logging in, you'll get a pop-up saying that you need to update the information on your profile page. It will send you directly to your profile page with all the same information found in point II.
