

# NEXT STEPS EDUCATIONAL COACHING

Workshops hosted by Jamey McClintock

You spend all year investing in your kids.

Why not consider giving to yourself by making your job easier? Join other home educators in a small group format as we take a six-week journey exploring the various keys to homeschooling success.

You've made the decision to homeschool now take the next step by establishing a solid foundation of knowledge of more than just the basics. The content shared in these workshops just might be the key to your homeschooling success.

## Passages Class

For those just beginning or wanting a fresh start:

- ◆ Paperwork basics— the value of documentation for them and you. Figure out what “system” will work for you.
- ◆ Cha, Cha, Changes—What can I expect? Help in making the transition. Homeschooling is a lot more than just education. It can affect every area of your home life. Join us as we discuss some of those areas and some adaptations to your lifestyle that will help make things easier.
- ◆ Resources! Where to find things—curriculum, support, friends. Navigating the information overload by sorting through what matters.
- ◆ Defending your decision—answering the skeptics
- ◆ Choosing an evaluator
- ◆ What veterans wish they had known.

**“JAMEY IS A MOTHER OF SEVEN, HOMESCHOOLING VETERAN OF 14 YEARS, AND PRESIDENT OF THE HARRISBURG AREA HOMESCHOOLERS ASSOCIATION. HER YEARS OF EXPERIENCE, HELPFUL INSIGHTS, AND HUMOROUS STORIES WILL BE SURE TO LEAVE YOU FEELING WELL-INFORMED, INSPIRED, AND EQUIPPED TO DO HOMESCHOOLING WELL.”**
