

MOON OVER
MIDDLETON PLACE

AUGUST 21 | 10:30 AM - 4 PM

View the Great American Solar Eclipse at Middleton Place and join in for fun activities for all ages throughout the day!

PLANNED PROGRAMS INCLUDE:

“Meet the Scientist” and discuss the phenomenon of the eclipse and the cosmos with a real astronomer.

Explore some of the tools that were employed to enhance man’s ability to navigate across oceans and continents.

Family Fun Craft Tent with activities for all ages.

Picnic style food items available for purchase on the Greensward.

The first 500 visitors will receive certified safe eclipse-viewing glasses.

All event activities are free with Middleton Place General Admission.
