Parent/Guardian:

Your child will be visiting Sanford Research to learn about scientific research. They will be conducting a hands-on activity, meeting with a Sanford scientist, and touring the Sanford Research Laboratory. We seek to inspire them to be critical observers of the world; to notice, wonder and start formulating questions they can evaluate; as that is what scientists do. To learn more about Sanford PROMISE, our K-12 education program and Sanford Research, please visit our website at [www.sanfordresearch.org/education](http://www.sanfordresearch.org/education).

Waiver & Release: I acknowledge that I have read this Release and Participation Agreement, that I understand the contents thereof, and that I execute the same as a free and knowing act and as the parent or legal guardian of the Participant. I hereby consent to my child's participation in the Sanford PROMISE Program and agree to release and waive Sanford, all its affiliates and all of its respective officers, directors, employees, or agents, and all other entities supporting or operating the above-stated activities, from any and all liability, including but not limited to, personal injury and property damage, that may arise directly or indirectly in connection with my child's participation. I further agree to assume any and all risks directly or indirectly connected with my child's participation in the aforementioned activities.

By signing this Agreement, I likewise hereby grant Sanford permission to use my child's likeness in photograph(s) in any and all of its publications and in any and all other media, whether now known or hereafter existing, related to the Sanford PROMISE Program.
