

**S.H.A.R.E.'s First Official
Field Trip of the 2019-20 School Year**

WHAT? A trip to the Shoe Crew Water Project headquarters in Chesterfield Mall. It's called "The Story of the Thirsty Tour" and will last a little over an hour. Here students will learn how people all over the world do not have the same access to safe water. They will journey through an interactive exhibit to learn about the water crisis, those who are affected, and how lives are changed with the gift of clean water.

WHEN? Wednesday, September 4, 2019 1:00 p.m.

WHERE? 65 Chesterfield Mall, Dillard's wing, lower level, Chesterfield, MO 63017

WHO? We have room for only 35 participants (this is a combined number of parents & students).

HOW TO REGISTER? Please go to the [SHARE website](#), LOG IN, and click on September 4 to sign up. Payment can be made online or mailed to Cathy Mullins at: 3675 Montana, St. Louis, MO 63116

COST? \$3.00 per person, and if you can.....
Shoe Crew will be pleased if everyone that can would bring a donation of shoes with them. Shoes need to be clean, with a rubber band around each pair to keep them together and placed in a plastic bag of some kind.

This will be a great trip to teach your children the value of water and how important it is to help others to have access to it. They may never look at a glass of water in the same way! For more information about Shoe Crew Water Projects, visit their website at www.shoecrewwater.org

If you have questions about sign-up, email **Cathy at Ekcmullins@gmail.com**.
If you have questions about the trip, email **Mary at djmurphy5@sbcglobal.net**.
