

PAC Tournament Protocol

Below are procedures that will be implemented at the PAC Tournaments to provide this environment.

SPECTATORS PROCEDURES:

- All spectators, coaches, and teams will have their temperature taken at entry and re-entry of the PAC Facility.
- Equipment will be sanitized after each use, and at a minimum every 30 minutes.
- Players and spectators sneezing/coughing will be closely monitored and will be asked to leave if exhibiting symptoms.
- All Spectators are required to wear masks over their nose and mouth while attending PAC Tournaments, adhering to the PAC facility protocol.
- Spectators and teams will leave the hardwood court area after each game.
- All Spectators will be required to practice effective Social Distancing of 6 feet if possible.
- Click here to review the [Governor's order](#), as it relates to patrons, and we request you to review the information.

TEAM PROCEDURES:

- Score Table workers will be required to wear a face mask.
- Teams are responsible for clearing their bench at the end of their game. Benches will be disinfected between games.
- Basketballs will also be disinfected before each game and at half time of each game.
- There will be no ball-handling in the lobby area.
- Teams and coaches must wear masks when they are not participating in a game.
- Coaches, players, and referees do not have to wear a mask while the team is playing.
- Shaking hands and fist bumps between players after the conclusion of each game will not be permitted.
