

HOUSTON CHRISTIAN HIGH SCHOOL

Athletics Visiting Team Health Protocols

By agreeing to this competition, a visiting team agrees to the following:

Health Screen and Temperature Check

All athletes, coaches, staff and guests from the visiting team must have screened and have a temperature check prior to arrival on campus. The following questions are part of the screen:

1. Have you, or a member of your household, had in-person close contact with a person diagnosed with coronavirus disease (COVID-19)?
2. Do you feel sick today?
3. Have you recently begun experiencing any of the following symptoms?

Loss of taste or smell, cough, difficulty breathing, shortness of breath, fatigue, headache, chills, sore throat, congestion or runny nose, significant muscle pain/ache, diarrhea, nausea or vomiting.

Anyone who answers yes to any of these questions, or has a temperature above 100.0 degrees, will not be allowed to come onto campus. If you need temperature checks to be done, please arrange those with the Director of Athletics prior to the competition.

With the participation of any athlete, or staff member on campus, you are representing the school that you have taken the temperatures of and screened each of your athletes and staff prior to arriving on campus.

Face Coverings

All athletes/coaches are required to wear a face covering when not actively participating in a competition. Only the players involved in game play are not required to wear a mask. Although masks are not required to be worn during competition, if your school requires it, please follow your guidelines and wear them.

Visiting Spectators

At this time, Houston Christian is only allowing 2 spectators for each visiting team athlete. Every spectator is required to wear a mask. Visiting teams will receive wristbands to be distributed upon arrival. Visitors are asked to enter the Visitor Entrance, west side of the gym through the Mustang Corral, and sit in the visitor section. The visitor section is located behind the visiting team bench. Visitors will not enter any other area of the campus.

We will ask that all spectators leave to the gym after each competition (JV, Varsity, etc.). Only guests for the game that is playing will be allowed in during the game time. Please listen to any directions given by Houston Christian Officials, and all public announcements at all times.

Those that do not have a wristband will be allowed to park in the parking lot for drop-off/pick-up, but we ask that they do not leave their vehicle.

Locker Rooms

Visitors will be given a visiting locker room. Based upon the size of the team, the visitors may need to limit the use or segment who gets to go in when. We will open the visiting locker room earlier to account for this on an as needed basis with prior coordination.

Athletic Training and Water

We do ask that all athletes and staff arrive with a personal water bottle. There is a no-touch bottle filler located across from the athletic training room. If there are additional needs, we ask that you contact the Director of Athletics prior to your arrival.

Sanitizing Stations

Houston Christian is not providing sanitizing stations located in the gym. If a visiting team would like to supply one, we ask that it remain in the visitor locker room, or back hallway, outside of the gym.

Additional Protocols Taken:

1. Houston Christian's air conditioning uses fresh outside air, not recirculated air. In addition, the air supply goes through a bi-polar ionization system that kills viruses and bacteria.
2. Sanitizing of equipment and floors will continue after each competition.
