

Terra Nova 3
Standardized Testing, 2021
Testing Directions

Please read carefully.

Choose either testing package to fulfill the state requirement for evaluation.

*If your child's annual evaluation date is before May 31, make note of it on your registration form. A letter will be sent to the school district informing them of your compliance.

LATE REGISTRATIONS will be accepted until April 28

IMPORTANT INFORMATION

Students in grades 2 and 3 begin their testing experience with a pretest which familiarizes the student with how to mark answers and follow the teacher's instructions. Parents may remain with their student during pretesting (1:00 – 1:30pm approximately), so please arrange babysitting for other siblings. If the student is not able to complete testing, \$25 of the fee is non-refundable.

Home Education Evaluation Form: this form should be printed for each child from the School District's website (<https://www.palmbeachschools.org/cms/one.aspx?pageId=6243747>). If you cannot print the form, ask the teacher in your child's testing room for a blank one. *If test results indicate "no progress," I will call you immediately and will not file the form unless directed.* If you are using testing for your own information, please check the "do not file" box on the registration form.

*****Test Scores are Never Submitted.** To satisfy the Florida state law, Palm Beach, Broward and Martin Counties provide a Home Education Evaluation Form, which I submit. This form completes your annual evaluation requirement. Test scores and a letter of progress will be sent to you for your files approximately three weeks after testing.

High school juniors or seniors who are dual-enrolled in college courses or are using formal classes and have taken either the ACT or SAT, may opt out of testing with provision of those test scores and passing grades in English, Math, Science, and Social Studies. Cost: \$20. Please indicate this on the registration form.

- Students should bring pencil(s), scrap paper, a book to read and healthy snacks for break time. Pencils and scrap paper will be available if you forget them!
- No Calculators, ear buds, iPods, iPads or any type of information transmitting device.
- *Any child posing a discipline problem at any time during testing will be removed from the room. Parents will be notified and asked to pick up their child immediately. There will be no refund.*
