

Special Invitation to our 2021 Open House

Launching our 3rd year in Cleveland. We are currently the only Trail Life troop in town and are growing fast. We anticipate 50+ boys this year as we build our K-5, Middle School, and High School patrols.

Do you remember the time your father took you on that special fishing trip where you

caught your first bass? Hiking in the woods with Dad? Or maybe his teaching you how to fix a car? Playing catch with your Dad? Recall the cheers of your Dad as you hit your first home run? Those long walks down the road just talking with Dad about life?

Or maybe you didn't have that kind of closeness with your Dad and wished you had a strong father who could mentor and coach you in life. Perhaps you grew up with a hole inside and vowed that someday you would be that 'real man' for your son?

Trail Life USA has built an exciting outdoor youth development organization steeped in the values of the Christian faith. It is dedicated to a mission *"to guide generations of courageous young men to honor God, lead with integrity, serve others, and experience outdoor adventure."*

Trail Life provides a great opportunity to connect our sons with Godly men from all walks of life. As a Dad, I know I can never hope to impart everything my son needs to know to grow up into a man. It is a blessing to have other Dads in the troop's 'band of brothers' who have skills I don't have. It also a blessing that Trail Life has partnered with many leading Christian ministries to build a robust and structured Biblical program that makes it easy to spend strategic time with my son.

There is something amazing about getting outdoors with our sons that builds a special bond and connection we can't gain from a video game or a movie. I love being part of a team where I don't personally have to think up ways to get away with my son for meaningful weekends.

INVITATION: I would be honored if you could block off time to visit with our boys and leaders on August 17. It is a "drop in" event from 7:00 – 8:00 pm. We are planning on providing an archery range for the boys to shoot safely that night, as well as other fun activities.
