SCENARIO SHOWS

QUEEN'S COURT

The shire is gathered for the wedding of Philomena Penburthy and Kurt Froman! The guilds of the shire have prepared gifts to present, and Her Majesty shall oversee the proceedings. With everything prepared so thoroughly, what could go wrong?

TOURNAMENT JOUST

The Knights of the Realm meet on the joust list to determine who amongst them is the best. Witness their skills being put to the test as they try to outdo each other and lay claim to the title of Best Knight in the Realm!

TOURNAMENT OF ARMS

The guilds of Mount Hope had prepared exhibition fights to celebrate the wedding, but a new headliner has been added: a Trial by Combat that will decide the guilt or innocence of the person accused of stealing an important object necessary to complete the wedding of Philomena Penburthy and Kurt Froman.

ULTIMATE JOUST

Sides have been chosen, and lives are on the line. The knights of Noble Cause joust, not only for honor, but for true love itself! Who will win, who will survive, will Kurt and Philomena ever get married, and who sabotaged the wedding at Queen's Court? All will come to a head at Bosworth Field.

FINALE IN SONG

Finish off the day with a final celebration featuring Her Majesty, Her Court, the people of Mount Hope, and lead by the musicians of the shire!

GUTS & GLORY

This exhibition features an authentic Scottish "plushie" sheep happily providing authentic "plushie" organs thus enabling everyone to savour the experience without any worries about "nasty bits".

MUCH ADO ABOUT NOTHING

A swoony romance. Mistaken identities. Eavesdropping mix-ups. Enemies to lovers. Come see some of Mt. Hope's finest put on an abridged version of one of Shakespeare's most delightful comedies. It might be one of the first Rom-Coms ever written!

THE ROGUES

The highest echelon of the Thieves Guild meets every day at their super-secret lair. Come join the Rogues at the Hart Inn where that super-secret lair definitely isn't, where they definitely won't be singing humorous songs, and definitely will be obeying every law. Definitely.

THE SIRENS

Mount Hope's Finest are meeting at the Hart Inn to get to the bottom of what's happening on the shire. Why not sing a few raucous songs while we're at it? And tell a jest or two? And that just reminded me of another song! What were we meeting here to do again? Come be an upstanding citizen with the Sirens and you won't be standing still for long.

WHO'S JEST & IMPROV WORKSHOP

The wittiest of the shire's citizens gather without the foggiest idea of what they're actually going to do. I guess they'll just have to make it up! Enjoy dazzling displays of improvisation.
