

LCHEA Used Curriculum Sale

June 17th, 2023 9am -3pm

at Charleston Baptist Church, West Ashley, SC – enter via gym doors

Please read all the details to follow! The gym will be set up by grade & subject and ALL books by ALL sellers will be placed together for a more streamlined shopping experience. All books should be marked, per the directions below, by each seller and dropped off on Friday, June 16th 10am - 6pm.

Shopping & selling will be open to LCHEA members and non members. There is no charge to shop.

There is a fee of \$5 for LCHEA members and \$10 for Non Members. This fee is to cover supplies needed to run the sale and a love offering to the church for the use of the facility.

If you wish to just donate items to the sale and can not come the days of, please contact Melissa Evans at hopeacademy19@gmail.com to coordinate meeting to get them.

Curriculum drop off times:

- **Friday, June 16th, 10am-6pm** in the Gym at Charleston Baptist Church

Important Note to Sellers: All items must be EDUCATION and HOMESCHOOL RELATED. While there are toys and games that are definitely great to use during school time, please remember this is not a yard sale. We want to have room to share all the fabulous tools with other homeschool families and table space is important! We will also have a FREE section, but, again, please remember this is not a yard sale!

Selling: Sellers have the responsibility to set prices for their own materials and to mark them by carefully taping the provided curriculum sale tags to the **FRONT** cover of books and where appropriate on other items **{only use painters tape}**. Each tag should be filled out entirely. **If an item is not tagged, it will not be sold and added to the free section!** Sale tags are attached as a pdf as well as the sellers tag we will need to have completely filled out and turned in to us at the time of drop-off. **Use rubber bands, string or Ziploc bags to keep multiple items together.**

Rosetta Stone MAY NOT BE SOLD due to copyright and their policies about reusing items.

Price all items in increments of 50 cents.

PLEASE place sale tags on the FRONT of items when possible!!

We will provide manilla envelopes for sellers, but please have a seller's tag (attached as a pdf) included with your books.

Drop-off: All books must be dropped off on Friday between 10am-6pm. If you absolutely cannot drop off your books during this time, we suggest that you have a friend drop them off for you.

Purchasing: Cash, Credit or Check will be accepted as payment.

We appreciate your grace and patience with us during your checkout time, especially in consideration of the magnitude of sorting and pricing that is required at the end. We want to do this accurately and provide everyone with a great buying and selling situation!

Earnings: All earnings will be paid to you through PayPal within 2 weeks of the sale date. If you do not have PayPal a check can be mailed, but it will save on time to pay through PayPal.

Pick-Up: Pick-up time will be from 4:00-4:30 pm. We will NOT hold onto books for you - they must be picked up or they will be considered a donation. We will shut the doors at 3pm and organize all books for pick up. The doors will reopen at 4:00 for books to be picked up by the seller.

All materials 'to be donated' or 'free' will be held for a few months to bless anyone in need; they will also be brought to the LCHEA Kick Off in August. This has been a blessing to many the past few years, thank you for your donations to help other homeschool families.

Sellers are responsible for taking any leftover items with them, or the materials will be added to the donated items immediately following clean-up {regardless if the 'pick-up' box was checked on the items or not}.

Categories we use when labeling the sale tables (for reference)

HIGH SCHOOL: Math - History - Science - English - Bible - Extracurricular - Geography - Foreign Language
