

You've Been Egged

Let's celebrate Christ's death, burial and resurrection by blessing others. Follow these directions:

1. Enjoy the treats and cherish the notes! Don't be discouraged if you find one egg empty. It's a simple reminder of Jesus' empty tomb. JESUS IS ALIVE that's the sweetest Easter surprise.
2. Leave the "We've Been Egged" sign near your door or mailbox, where it is visible to others.
3. Within 2 days make two copies of a "We've Been Egged" sign and two copies of these directions.
(If you don't have a copier at home, just rewrite it. Or just Egg one house and pass along this copy.)
4. Now you get to have some Easter Fun! Write special Easter notes letting other know how you have been blessed by Christ's love. Secretly hide eggs with special notes and treats, the "We've Been Egged" sign, and the directions for two other.

Make sure you egg someone who has not already been egged.

Happy Easter!
