

SCIENCE FIELD TRIP DAY AT PETCO PARK

WEDNESDAY, MAY 8

This unique educational experience takes science out of the classroom and makes learning fun. Activities will include:

- “Fire and Ice” show presented by the Ruben H. Fleet Science Center. Students will learn about the states of matter, combustion, and liquid nitrogen through this visually thrilling program.
- Ecovivarium show on natural science featuring all kinds of snakes and creepy crawlies.
- General Atomics show on physics.
- A Padres player appearance with emphasis on the importance of education and much more!

EACH ADMISSION TO SCIENCE FIELD TRIP DAY INCLUDES COMPLIMENTARY PADRES GAME TICKET(S)!

Wednesday, May 8 Science Field Trip Day

Gates open at 9:30am
