

## *Mission Statement & Statement of Faith*

### **Mission Statement:**

HOPE Homeschoolers is a non-denominational community of Christian families who come together for encouragement on the homeschooling journey.

### **Statement of Faith:**

We believe:

- God has existed from all eternity as one being in three persons, known as the Trinity: God the Father, God the Son, and God the Holy Spirit. Jesus Christ was God come to earth in human flesh, being fully divine and fully human, yet without sin.
- The Bible is the inspired and infallible Word of God. The Bible, in its original manuscripts, is without error in whole or in part, including theological concepts as well as geographical and historical details.
- All human beings have sinned and violated God's perfect standard of righteousness both by nature and by action, and therefore deserve eternal condemnation. But Jesus Christ came to earth to take on Himself the penalty for sin through His death on a cross. His subsequent physical resurrection demonstrates the completion of His saving work on earth.
- Any human being who believes that Jesus Christ died and rose again can be saved from eternal condemnation. This gift of salvation is free to all. Yet each person must respond individually, not trusting in personal achievement of any kind, but by faith in Jesus Christ alone.
