Movie night

Christmas party

Video game night

Laser tag

There is a WhatsApp group chat that has been created just for the seniors. If you're not currently already in the chat please message me with your number so we can add you.

This group chat should be used for communicating monthly get-togethers.

Senior shirts - Tricia Munger has a connection to purchase T-shirts.

The idea would be to have the seniors create a face or backing for the t-shirt pattern, then a vote would be placed for most popular. So get creative and have fun with it!!! Deadline date TBA.

Grad Bash - Nancy Jagielske who is a homeschool mom and apart of this group is already in the midst of planning a Grad Bash for a group of homeschoolers in Central Florida. Nancy has opened this up to the seniors in Miami and will keep us updated on dates, cost etc. We do know that it will take place in April and on a Friday.

Homecoming - Homecoming season is around the corner so planning for this event needs to be top priority during next meeting. Homecoming will be sometime in November. If anyone has a large backyard and are willing to host that would be great! Or if you have venue connections please let us know. A 20s/Great Gatsby theme or Masquerade Ball was brought up as great theme ideas.

Prom - Reserving a venue for prom will have to be done very soon. Places book up very quickly. Parrot Jungle Island was a popular venue that was mentioned last night. More can be discussed during next meeting. My daughter just mentioned The Greatest Showman for Prom theme! (Ladies and Gents... This is the moment you've waited for! Jaw drop for all you fans!)

Prom will be in May.

Jackie Seifert knows a homeschool mom who is an event planner and can help with the larger events!

For each event we can have committees and those individuals would focus on a particular task for these events. More to be discussed in future meetings.

Easy payments - A PayPal account needs to be set up for the senior group. Is there a parent who would be willing to create the account and keep tabs on incoming payments? Possibly someone who can be reached easily through text, call and email.

Polls and voting - Looking for a senior to set up a survey monkey account and keep the site updated as needed for various reasons throughout the year. If you are willing please announce during the next meeting.

Last but not least, the parents last night agreed to always plan for the next meeting during the current meeting. So here are the details for the next meet.

Sunday August 25 @ 7pm.

Gateway Baptist Church

6500 SW 97th Ave

Miami, FL 33173

This will be an ice cream social/meeting and a separate email will be sent for signing up.

The Vassel family and Hernandez family are willing to open their homes for future meetings, if you are willing to open your home for meetings or get together please let the group know.

Please share this email with other homeschool seniors and groups.

Thank-you ALL! I look forward to this year! 2020!
