
WELCOME TO SYNERGY!

- Put your bag and headphones here.
- Mark your child(ren)'s hand with the letter of their assigned group.
- Send kiddos to storytime (at 10:00).
 - If you arrive after 10:00, but before classes start (~10:20), they can join in the storytime/stretches at that time.
 - If you arrive after classes start, they can join any station except the lead station (A) immediately. Students can switch to Station A with whichever group has an opening at the later rotation times.
- Find your job assignment and start setting up.
