Hello PACE Families,

The Coronavirus continues to make a big impact worldwide. As a result of the virus we are faced with the difficult decision of whether to continue with classes or end the semester early. We know there are some families wanting to continue PACE and others wanting to stay home in an abundance of precaution.

After much prayer, the PACE Board has decided to join with Miami Dade County Public Schools, and close as well. As of this moment, Miami Dade County Public Schools will be closed from 3/16 - 3/27 which means we will be ending our semester two weeks earlier than originally scheduled. PACE does not encourage holding any in person classes or events through the month of March as per CDC recommendations,

Due to these unforeseen circumstances the PACE board is trying to find the best resolution for all families on the following:

- Remaining 2 weeks of classes
- PACE spring raffle
- Pre-Purchased Youth Fair tickets (Keep your tickets)
- Holyland Experience

We at PACE want to remind all our members that the Lord is with us and that He is good at all times. He will never leave us or forsake us. We thank you for your help and support in coming alongside us to keep our families, members and community safe. We ask that if you are in any need, and would like our help, please don't hesitate to reach out to us.

Blessings,
The PACE Board
