

IMPORTANT PACE UPDATES

3/30/2020 11:33 AM

P.A.C.E. of Miami

Good Morning PACE Families,

President Donald Trump announced on Sunday that the White House would be extending its social distancing guidelines through April 30.

To be compliant to this order the PACE Board has decided to:

1. Postpone testing

There have been accommodations enacted for public and private school students. However, as homeschoolers, we are still required to submit an annual education evaluation Pursuant to Florida statute 1002.41.

(f) The parent shall provide for an annual educational evaluation in which is documented the student's demonstration of educational progress at a level commensurate with her or his ability. The parent shall select the method of evaluation and shall file a copy of the evaluation annually with the district school superintendent's office in the county in which the student resides.

The annual evaluation is due on the anniversary date of the submission of your letter of intent. This date is not to be confused with the date of the submission of your last annual evaluation.

PACE has been in contact with Homeschool Legal Defense Association, The Florida Department of Education as well as Florida Non-profit Organization to find alternatives for the annual education evaluation. As of now, homeschoolers are still legally required to submit. Because of this PACE has decided to postpone testing until the social distancing guidelines have been lifted.

2. Postpone Graduation

PACE would like to honor all of our graduates so the Graduation Ceremony will also be postponed until the social distancing guidelines have been lifted.

3. Postpone Mom's retreat

Will be postponed as well until guidelines have been lifted.

4. Book Fair CANCELLED

Thank you for your patience and understanding as we navigate through this process. Stay Safe!

Blessings,

PACE Board
