Subject: PACE Testing Update  
From: lifeline@homeschool-life.com

Hello Families,

We appreciate your patience with us in regard to testing. PACE has postponed testing hoping to be able to reschedule it in the near future. However, with the uncertainty COVID-19 regulations placed on the opening of businesses, PACE has decided to forgo testing. In lieu of testing, PACE has two alternatives.

1. PACE's Testing Coordinator has agreed to provide an alternative to testing, at no additional cost. The Testing Coordinator is willing to do a virtual evaluation for student's currently registered for testing and provide a letter of evaluation that will meet the Homeschool Annual Evaluation requirement. If you like to take advantage of the unprecedented opportunity for an evaluation, please reply to this email that you would like the virtual evaluation. I will then forward your information to the coordinator who will be contacting you for an appointment.
2. A refund of the testing fee paid.

Please reply to this email by May 6, 2020 regarding your decision.

Thank you again for your patience and understanding.

Blessings,  
Christine Güell
