

St. Michael the Archangel

HOMESCHOOL CO-OP

StMichaelCoop.org - board@stmichaelcoop.org

ACKNOWLEDGMENTS REGARDING COVID-19

All families **MUST** self-screen for signs and symptoms of COVID-19 before arriving to co-op. Please remain home if any co-op participant has had a temperature (100.4°) in the last 48 hours.

Contact a board member at board@stmichaelcoop.org for specific considerations or to make arrangements for healthy high school students who will experience academic hardship by missing important class time.

If any immediate family member has had a known **POSITIVE** exposure to COVID-19, the entire family needs to quarantine from co-op for two weeks from the known exposure.

Please know that we will be working hard to keep the co-op building clean, sanitized, and safe for everyone and we will need all participants to help by doing their respective jobs to accomplish this task each week.

An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. By attending St. Michael the Archangel Co-op you voluntarily assume all risks related to exposure to COVID-19.

I acknowledge that I have read and understand the previous statements.
